

6th Annual Sport Pilot Championship

**24 Pilots + \$5.00 Landing Fee
= 3 exciting Saturday events**

2014 marks the 6th Annual Sport Pilot Championship, and this year's events should be as fun and exciting as the previous years. 24 pilots will have a chance to fly and earn a chance to win the Olsen cup trophy and the title of Sport Pilot Champion of 2014.

So what's it going to take to win this trophy?

24 pilots competing in 3 different events designed to challenge their skills, the nerves, and the desire to win the 6th Annual Olsen Cup Trophy.....

SPC Pylon Racing Event Sat May 17th 11am—3pm

Two Pylons - 400' apart; 4 pilots per heat; 10 laps per heat, and 5 heats of extreme aerial racing. Always a crowd pleaser.....

Pilots are on their honor to use 10%-15% standard sport fuel.

Pilots will accumulate points during each of the five rounds of the event. Prizes will be awarded to the pilots finishing 1st, 2nd, and 3rd for this event.

SPC Competitive Fun Fly Sat June 7th 11am—3pm

A fun fly with 4 mini contests, each designed to test the pilots skill and daring, and nerves:

- Roop Touch and Go (5 passes)
- 1 minute Timed Aerobatic Flight
- Random Event (TDB)
- Random Event (TDB)

Pilots will be ranked according to completion times with points awarded for each event. Prizes to be awarded to the pilots finishing 1st, 2nd, and 3rd overall for this event.

SPC Combat Event Sat June 28th 11am—3pm

We all know what this means: Pilots competing in five intense rounds of aerial combat, protecting their own 30' streamer and getting their opponents streamers.

30' crepe paper streamers and 5' Leader strings will be provided.

Points will be awarded for each "cut" as well as remaining streamer length. Prizes will be awarded to 1st, 2nd and 3rd place finishes for this
