NEWS AND ACTIVITIES OF THE LINCOLN SKY KNIGHTS R/C CLUB

President's Message

I've been meaning to write a farewell to the troops but it doesn't really seem right in that I will be still on the front table for the next year. So instead I'll write a Thank you to all those that make this club great. First off are the officers that make this place run, next up the guys that do all the work, then to top it off all the guys that fill the seats, fill the pilot stands, fill the gym, fill the kitchen, and fill the spaces that need to be filled to make the Lincoln Sky Knights a fun place to be. In the last year the events have been well attended and on any given day I can hear from my back deck the roar of the engine or wish of the jet that fills the air when the field is occupied. I can't say how many guys have made this club an escape from the world over the years, but it has been fun making this field a destination for them, a mini-vacation each and every time they come out here to escape the cares of the world. This next year we will be back in the improvement mode for the general plant, and the grounds department of our complex and it will only get better with all of you helping to keep this place a thriving and active club. Thanks again to all of you for filling this place with life. May all your landings be ones you can walk away from.
