NEWS AND ACTIVITIES OF THE LINCOLN SKY KNIGHTS R/C CLUB

President's Message

Hi everyone. I hope with all the nice weather we have had you have been able to get some flying in. Even with the season winding down and contests and fun fly's becoming fewer there are still flying days to just get together and enjoy time with your fellow club members.

It is also that time of year for the club to nominate or retain our officers. I have served my two year limit and so we need to find a president and possibly one or more other posts. The time commitment isn't that large and it gives you a chance to interact with the other clubs and, thanks to are district 9 associate VP how is very active, keep up on the that are important to our hobby.

Fair weather and good landings,
Alan
