

Omahawk Builders:

We are having a "learn to build" Flight Test workshop as follows:

When: Saturday, December 7, 6-9pm

Where: Beny Hafcamp

7802 Military Rd (white and grey gas station)

Omaha, NE 68134

Phone: 760-605-5735

Activity: Learn and get hands on experience in building a "hot glue" Flight Test electric airplane.

Provided: Glue gun (bring own if you have one), glue, razors, kit to work on, kit to buy, motor and ESC to buy, rulers, and expert instructions! (Soft drinks and coffee too.)

What to bring: curiosity, patience, interest and a smile! 😊 (Bring a kit if you have one.)

See you then!

Beny Hafcamp
