

Fellow Omahawks, spouses and significant others:

It's only a week away from the **Holiday Appreciation Open House** at Rick and Sheri's house. This is NOT your usual holiday open house because in addition to some great snack food and drink, we will have:

- R/C flying simulators on big screen TVs for all to use!
- Appreciation awards to 3 VERY hard working members! (around 2:30pm)
- A balsa model repair station: tell me how to repair this wreck! (your comments will be video taped)
- A balsa kit building area to display building techniques.
- An airplane "viewing area" of some 20+ airplanes you can critique.
- Importantly, you will get to meet, talk with and get to know other club members and their spouses!
