AMA SANCTIONED  
Bob Nelson, Contest Director

## OFFICIAL RULES AND INFORMATION FOR THE 2008 SIG R/C FLY-IN

- 1) All applicable AMA and FCC regulations governing the pilot, his aircraft and equipment, and his conduct while on the field will be enforced. Consideration for the safety of spectators, fun fly personnel, and other flyers is of the utmost importance. Any hazardous flying over a controlled spectator area will be cause for immediate grounding.
- 2) This event is a family-style Fun Fly, with the emphasis on safe fun flying and camaraderie. There will be ample open flying opportunities for all registered pilots. This is not a contest.
- 3) This Fly-In is AMA sanctioned. You must show a valid AMA license when you check in at the flying site. If you are not currently an AMA member, new AMA membership applications will be available at the site.
- 4) Each registered pilot may bring and fly as many different R/C model airplanes as he wishes, as long as each model meets all pertinent AMA guidelines. Maximum engine size is 6.0 cu.in. Maximum weight with fuel is 55 pounds.
- 5) All AMA legal frequencies will be allowed at this Fly-In. This includes the use of all 50 channels (both odd and even numbers) in the entire 72 mhz. band. In over 34 years of R/C activity, there have been no known frequency issues at SIG FIELD.
- 6) All transmitters and receivers must meet narrow-band standards. As part of the registration form, the pilot will sign a statement indicating that his radio equipment meets the guidelines for narrow-band operation.
- 7) Safety first! Each contestant is required to have a spotter/pitman with him at all times while on the flight line.
- 8) The SIG Field is located 1-1/2 miles south of Montezuma, Iowa on U.S. 63. Montezuma is located 8 miles south of Exit 191 off Interstate 80. It is approximately 60 miles east of Des Moines and 110 miles west of Davenport.
- 9) Pre-registration is encouraged. You may obtain an official entry form from:

### **EVENTS FOR THE 2008 SIG R/C FLY-IN JUNE 7 - 8**

**EGG DROP:** For SIG airplanes only  
Eggs, dropping device, and rubber bands furnished.

**SUPER TURF TAG:** For SIG airplanes only

This is an airborne version of musical chairs and will be flown in rounds. Up to 6 contestants get airborne and orbit away from field. At the sound of the horn they must do a touch and **GO**. Last man down and any that can't go are eliminated. Continue until only one man left. Winner of the heat advances to next round.

**SATURDAY NIGHT E-FLY:** For all electric park and slow flyers

From 7:00 P.M. until dark is reserved for electric flying only. Bring your park and slow fliers and enjoy an evening of silence.
